Tours & Events

We prepare a seasonal programme of events & tours every year for our members. We keep you up to date on new dates for tours via our website and e-newsletter when you sign up with the Trust. Tours are often led by volunteer guides who wish to share their expert knowledge on Gibraltar's history. We also run a weekly walking tour of our city walls and civic buildings along Line Wall and through Irish Town. This is a ticketed tour and is open to the public, with a subsidised fee for members.

DID YOU KNOW? In December 2024 the Trust received a generous donation from the Gibraltar Hearing Issues & Tinnitus Association of a brand new **Tour Talk System** to assist members who have hearing difficulties on our tours. This system is made available to all members.

Gibraltar Heritage Gin, Chronicles in a Glass

Cheers to the epochs of our rich history!

In collaboration with local Gin Distillery, Spirit of the Rock, we released our very own **Heritage Gin Set** in 2024. Each bottle contains 5cl of gin inspired by different periods in our history; Moorish Castle (Juniper Gin), The Great Siege (Jaco/GORDON's) and Rosia Bay (Plymouth Style Gin).

This set aims to celebrate the indomitable spirit of Gibraltar, capturing the history, innovation and unyielding character of the Rock. The set is beautifully presented in a box with an information card on the three periods above. The sketches on the card were created by Naomi Fa.
